PUBLICATIONS

Fundamentals of JavaScript

https://gohighbrow.com/portfolio/fundamentals-of-javascript/
August 2018

Highbrow is a platform which has been featured in the New York Times, Inc. Magazine, and Business Insider, among others. I was fortunate enough to have their team of editors review the 10 lessons and quiz I wrote, and agree to publish it on their platform, introducing the course to 400k+ potential students!
